Research og Idé

- Portfolio for mine kreative projekter
- Desk Research – hvad har de andre i industrien gjort? Hvordan ser en portfolio ud fra andre lignende kunstnere / personer?

Nogle trends som siden vil følge:

- symmetrisk opsætning af lokalt indhold
- få globale indhold
- futuristisk(e) font(e)
- modernisme

Hvad skal vi vide når vi designer, og hvorfor er min side som den er?

Vi skal gerne vide hvem vi designer til, hvorfor vi gør det og hvad der driver os til at gøre således. Jeg drives af det modernistiske, rå, stilrene men samtidigt lidt provokerende - måske endda - 'kedelige' udtryk.

Jeg vil gerne bruge primære farver og et monochrome look. ^[1]_{SEP} Siden ønskes berbersket med orden og simplicitet, men det gør den samtidigt også relativt upersonlig - på trods af at det er en 'privat' portfolio.

Så, modernistisk udtryk med;

- få ornamenter, egne billeder & materiale
- disciplineret
- stilrent, meget adskilt og box'eret
- New Typography!
- Gestalt-lovene om nærhed, lukket- og forbundethed

” *What is Mitri Media?*

MITRI MEDIA is a small - but dynamic - creative bureau dedicated to pushing the boundaries of storytelling. Specializing in the art of short films and thought-provoking literature, MITRI MEDIA fearlessly tackles taboo subjects, making them accessible and relatable to the young generation. Through the lens of creativity, MITRI MEDIA challenge societal norms, sparking conversations and encouraging open-mindedness. With a passion for innovation and a commitment to sparking change, MITRI MEDIA is a pioneering force in the world of small time multimedia NGO's, using its unique blend of visual and literary artistry to captivate hearts and minds alike.

Which areas do we cover?

MITRI MEDIA is driven by a profound passion for pushing perspectives, boundaries, and unearthing new information. We believe that by delving into taboo subjects and exploring unconventional narratives through short films and literature, we can challenge preconceived notions and encourage critical thinking among our young generation. Our dedication to pushing these creative boundaries stems from a deep desire to create a more open and inclusive society, where important conversations thrive, and deadly ideals burn. In a world constantly evolving, MITRI MEDIA wishes to stand as a beacon of change, using our projects as a powerful tool to tunnel through the layers of convention and uncover fresh perspectives and insights for the benefit of all.

What is Mitri Media?

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only the centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

OVERVEJELSER EFTER TESTS

Jeg valgte at gå lidt væk fra dette design efter mine user-tests & feedback fra klassekammerater & undervisere!

Det design jeg vælger at gå med, heder blot "Desktop Design" :)

Jeg beholder dog denne side for at vise hvad jeg startede med inden tests, og endte med efter tests!
